The movie is a remake of the original 2011 Kannada film "Jagga Jagger", and the Telugu film "Oka Ooru Pattukarinna Pattu". Plot Kavya is a young girl who feels left out in her family. Her father is a distant and reserved man who hardly talks to her. She is closer to her eldest brother Rakesh who is rebellious and he used to bully her. When she gets into college, she is insulted by a group of students for her conservative attitude. She then meets a handsome and high-spirited boy Angad. They both fall in love and they get married. Angad is the scion of the Nath family, a wealthy family. He has a younger brother, Akshay who is very intellectual and very close to Kavya. They share an affectionate bond. One day, Akshay gets into a car accident and dies. After this tragedy, Kavya is left alone. She turns to Rakesh for help and she slowly develops a bond with him. Rakesh shares a similar opinion and he feels pity towards Kavya because she was always left out in her family. He is also a talented writer and he often

---

writes about Kavya. She is more open to listen to him and slowly she starts opening up. One day she is humiliated by her college friend Anjali and she even tries to call Angad in order to console her. However, Rakesh calls him up. After she talks to Angad, she meets him and they talk about many things and they develop a friendship. Kavya and Rakesh start bonding a lot. Then Rakesh's friend Kanhaiyya comes to meet him. He is a fun-loving, handsome guy who is close to Kavya. He begins to flirt with Kavya. He often asks her for friendship. One day, Kanhaiyya tries to coerce Kavya into having an affair with him. Angad, who knows about this, also comes to know about it. Rakesh is furious and he confronts Kanhaiyya. Kanhaiyya tells him that Kavya knows about his intentions, and he asked Rakesh to keep away from Kavya. Rakesh and Angad are determined to protect Kavya. Then Rakesh asks Anjali to help him in getting close to Kavya. Anjali accepts to 82157476af
